Subject: Draft of Jane's briefing papers
Attachments: Jane Briefing on WHO AQ Conference 10.24.2018.docx; Jane Briefing on WHO AQ Conference Delegation Meeting 10.24.2018.docx

Hi Hodayah and Ted,

I did a rough draft of Jane's briefing papers for our briefing with her and the del call. To reduce reduces I added most of the attachments to the first paper and put more background on the conference in the 2nd. It would definitely be helpful to have some additional input on the agenda. I'm happy to re-vamp tomorrow morning if you want to take a quick look and provide some general comments.
